

BOORHAMAN BREWERY

ALBURY, HOWLONG, RUTHERGLEN, BOORHAMAN, WANGARATTA, WODONGA HALF DAY RIDE TOTAL DISTANCE 166Km

Interstate trip this one! Just a few kilometers into Albury, then along the Riverina Highway to Howlong. Bit early for coffee, but if you have to,..... but it's only a short interstate trip back to Victoria to Rutherglen. You can see the Rutherglen 'wine bottle' water tower for miles, coffee fuel and toilets on the main street. You've missed the Winery Walkabout which is on the Queen's Birthday weekend.

Onward to the Buffalo brewery at Boorhaman where you can sample (carefully, 'cos it's full strength!) the various local beers and ciders.

By now you will have noticed there ain't no hills on this ride, and there won't be! Another flat ride into Wangaratta and it would be a Freeway ride back to Wodonga unless you follow the signs to Beechworth, then Wodonga, same distance, but a more interesting option

Good road surface all the way, no serious challenges 166Km all up

Note:

While you are in Albury, don't do the Victorian thing and park on the footpath, the local Grey Ghosts will be happy to leave you a message on your bike if you do
