

BRIGHT - Day Ride – 200 - 370 Km

MT BEAUTY, BRIGHT, MT BUFFALO, BEECHWORTH

A little over an hour will get you to Bright, via Beechworth, or a little longer via Mount Beauty and Tawonga Gap if you need a little adrenalin burst.

There's plenty to see and do, the spectacular Autumn Festival is in April when the European trees change colour for Winter. The town is well known for outdoor activities, mountain biking canoeing etc.

Of particular interest would be the Bright Brewery where you can enjoy the beers, for instance 'Hellfire Amber' and 'Razor Witbier' made using mountain spring water. Local wines, coffee and snacks are all on offer, and the town has a variety of shops and eateries.

If you haven't over indulged, and we hope you don't, perhaps a spin up Mount Buffalo out of Porepunkah would complete the day for you, visit the Chalet, built in 1910, there's a snack bar and toilets up there. If you do the lot it's 376Km

Without Mt Buffalo about 300Km and direct to Bright without Mount Beauty about 200Kms, all good surfaced roads
