

LADIES' RIDE 152Km HOWLONG-COROWA-RUTHERGLEN-CHILTERN BEECHWORTH- YACKANDANDAH.

Any of you ladies interested in chocolate? Yes? Then this is the one for you! Starting from Wodonga you'll go through Howlong where you can get coffee etc or you might like to wait until you get to the Corowa Chocolate Factory.

Chocolate, yes-coffee, yes,-nice little café too. After you have indulged yourself there, perhaps a ride to Rutherglen (you missed the Winery Walkabout, Queen's Birthday weekend), through Chiltern then up to Beechworth, for some interesting shops for nick-knacks, alpaca wear, jewelery, etc, not forgetting the famous Beechworth Bakery and the lolly shop. Back through Yackandandah, main location for the movie 'Strange Bedfellows,' and then back to base.

How long will it take you? Well it's about 150Km of good, easy roads, but there's chocolate involved so your guess is as good as mine.....
